. All Letters must be lodged one hour before the time fixed for the departure of the Mail, or they will lie over until the next Post.

As there are several Places of the same Name in the United States, the Merchants and others are requested to be very particular in the Direction of their Letters; distinguishing the States, and where it otherwise would be doubtful, the Counties in which those Places are situated. And when Letters are not for a Post-town, the nearest Post-town to the Place ought to be mentioned.

All Letters which are lodged to go by the British Packets, should be distinguished by writing, *Per Packet*—for there are Places of the same Name in the United States, similar to those in Europe.

N. B. The Mails which arrive on Sunday, are not opened till Monday Morning.
